Editors Note: During the month of October when most of you will be enjoying the success of the Tiger Football team, my wife and I will be in JAPAN on a trip. Upon my return, I will give a full account of all the time well spent in the Orient

FROM OUR PRESIDENT: As of this date, I have no word on our District standing. Although I saw the District Governor recently, he stated the Cabinet Secretary would make every effort to have the standing distributed in the near future! So, we'll carry on as if we know where we stand - Remember, October is membership development month, and we can always use good Lions in our club, so see what you can do towards obtaining one of the nice clutch pins to be awarded by our International President for sponsoring a new member this month!

So far this month the Board of Directors have approved membership for Dallas (Woody) Woods, Merle Cooley, and John White. Lion Bob Smith has the ceremony all set for this Saturday, so a little prematurely, I would like to welcome all of you to the club. We're glad you joined with us!

Visitations are past the half way mark. Last Tuesday our team made the trip to Carrizozo for a visitation, and when they got there, they also found the Alamo Noon Club AND the Boles Acres Lions, so from all reports it was quite a meeting. I plan to have a report on this, as I also know the Boles Acres Lions visited several clubs that same day! Lion Rudy has really been trying to arrange these visits, so please cooperate with him when he asks. This coming week, as of now, we are going to visit Silver City, and possibly Cloudcroft, so see Lion Rudy now!

I would like to personally thank Lion Ken Pringle for lining up the programs he has arranged so far this year. Some have been outstanding, and I know some time is hard to do with all of your home duties to perform on the side. We need more like the one by Capt. McFarland Lion Ken! Motivate your committee to line you up with some.

We have had a good month of activities this month. Saw many of our Lions working in and around the International Space Hall of Fame parade and dedication, as well as some Lioness's - that's good! We've also donated to the new barn at the Fair Grounds, we've bought some glasses for a needy child, and more of this in the mill, and also, we have made a donation that will be used to put up a chain link fence at the Betty Dare Home. This was necessary to keep some of the older people from wandering off! T'was a joint effort by all Lions clubs of the area.

LION BOB

It was with a great deal of sadness that I learned of Lion Cliff Smith's loss last Sunday morning. His wife Martha Jo passed away after a long and hard bit of suffering. Lion Cliff, on behalf of all members of this club, and their wives, I have been asked to extend to you a helping hand for what ever reason you need. . . just ask Lioness Liz, and she will see that your want is taken care of.

Lion Bob

LION of the MONTH: This months honor goes to Lion Walt Roberts! Its to bad you can't make more than one a month - this Lion is long over due the recognition, he worked long and hard in several activities this summer and fall. It all goes back to the last Babe Ruth league, and carries on through the Open Horse show just recently tucked away. My congratulations Lion Walt, I for one appreciate your efforts, and I want you to know it!

" FROM THE RED ROOSTER LANES "

Our beautiful lady "Lioness" bowling team really put the screws to the "Red Rooster Lanes Ladies" last Tuesday evening. . . . Last count, I believe they won all three games, even with a "ringer" hot-shot sub going against them. With the wins, they should be in first place! Come on you LIONS, if you aren't doing anything on Tuesdays, go down and support our "PURPLE & GOLD" gals!

MULTIPLE 40 NEWS:

Multiple 40 held its Council meeting on July 31st 1976, and the following motion was made and approved as follows: "That the Multiple Council 40 endorse running a qualified Lion from our Multiple, for International Director in New Orleans. With this endorsement the Multiple will allocate up to \$1000.00 towards expenses for our candidate."

In compliance with our Multiple Constitution and By Laws, any qualified Lion wishing to run for this position, must first have a resolution and endorsement submitted by a Club to the Cabinet of his District, then his District to the Multiple, 30 days prior to our next State Convention, which will be in Las Cruces, New MEXICO, starting June 3rd, 1977.

C-O-N-I-N-G U-P Halloween - Thanksgiving - Christmas - BUT, V-O-T-E ! ! !

If you really read this Bulletin, you will know by now that you spell recognition without any z's !

Remember the story about Lion Cecil Smiths red and white pick-up? Wait until you hear about Lion Jim Sanders and his BLUE and WHITE one ! ! ! ! ! Least it didn't cost the club the \$50.00 reward for information leading to. etc.
