

NOTICE: Due to untold difficulties with our memograph machine, the bulletin is appearing in this simple form this month!!

FROM THE PRESIDENT:

Fellow Lions it seems the installation banquet was ages ago, so many things have happened since. Starting with the bi-centennial breakfast, I know this club was off and running again...was really great to see so many Lions & Lioness's out at that time of the morning!

Through the efforts of a lot of Lions, the Babe Ruth league was saved from going defunct this year. My special thanks to Lions Harold Jones, Ray Pierce, RD Company, Ebb Perkins, Ed Hughes, Jimmy Howell, Ken Pringle, Walt Roberts, Marcus Jamison, their lioness's who helped so much with the concession stand and any other Lions who helped in any way. WE also had a good year with the little girl softballers... even though they were not state winners this year.

Crazy-daze was another success, lots of Lions helped especially Lion George Gandara, Vic Anderson, Dave Johnson, Ken Pringle, Ken Post, and Walt Roberts.

Lion Doc Wiley and his committee of Lions Joe McKinley, Jim Sanders, Walt Roberts, Henry Danley, John Elmore and Bob Blount really put together the very finest AQHA Show west of the Pecos! Reports are still filtering in, so my congratulations to all of you. Also want to mention those hard working Lions who worked in the concession stand-Lion Roger Engle and Roy Wood were there from dawn to dusk, but without Vic Anderson & Wilma, Yvonne Roberts, Bill Dougherty, Rudy D., John Dougless, Dave Johnson, Bill Leehan, Ken Post, Chuck Vigil, and Jack Wayte who got us a much need fan, we would all have passed out!

My thanks to Lion Jim and Jeanne Sanders for hosting the "Presidents Steak Fry". They really went out of the ir way to make it what it was, and then said, "It was fun doing it!" Also had som help that was appreciated from Lion Bud Smith, Roy Woods, George Gandara, Dick Brandner, Tim Cashen, Mike Zamora, Bob Smith, and Roger Engle.

I enjoyed all the compliments I received on the steaks, but all I did was buy them. They were cooked to perfection by Lions Vic Anderson, Roger Engle and Henry Danley.

Now that the District contest is in full swing, I also would like to thank all of those Lions who have made visitations to other clubs. Half of our visitations are now completed, this is an important part of Lionism besides being lots of fun, so if Lion Rudy calls or asks for "visitors", PLEASE make every effort to help out. Lion Rudy is working really hard on this part of the contest.

During the past few months these things have also occured: Lion Jack Wayte was awarded his KEY MEMBERSHIP PIN, Lion Vic Anderson got a 5 year perfect attendance and the coveted 100% President's award; Lion Doc Wiley was presented the Lion of the Month plaque for the August award. Congratulations to all of the above for jobs well done!!

Yours in Lionism - Lion Bob
