FEBRUARY 1977 BULLETIN

FROM OUR PRESIDENT: I want to express my thanks to Lion John Douglass for the fine job he did for me in my absence the past two Saturdays in February! I am very sorry I missed the Prayer Breakfast for Lion Sherm Osburn due to a prior commitment in Arizona.

We are starting the 3rd month and the final month of the District Governors Membership Development Drive. We are running a few short of the anticipated goals, so look around, both of our offers still stand through MARCH. Make your fellow man feel needed, invite him to breakfast - maybe he'd like to be a LION! Just a few short years ago I myself was wandering around doing nothing in particular until Lion Rudy invited me to breakfast.

The month of March is going to have an effect on this club all next year. On the 12th, the Chairman of the nomination committee will make his report to the general membership. ALSO, on that same day, nominations will be accepted from the floor, so if you have your own ideas, that will be your chance to express them. Good competition never hurts - it only makes for a better and stronger club, so heres' hoping we have lots of good "clean" campaigning for the various offices. For all of those nominated, I plan to give you time for your speeches on March the 26th!!!!

On the 19th, I expect a bunch of us to be either in the Cielo Vista Mall in El Paso, or the Mall in Las Cruces selling Eye Bank Raffle tickets. . . .

LION OF THE MONTH: It is always a pleasure to recognize dedicated efforts to our club. The recipient this month is also very congenial and boon companion, to all members. He has participated in most activities of the club, and of late, when we needed someone to make a visitation, all we had to do was call on one of our club "story tellers", Lion TED BROWN - Congratulations Lion Ted.

CLUB MEETINGS THIS MONTH OF MARCH: 2nd - Nominations, 9th - Board and Citizen/Education, 16th - Finance if required, 23rd - Sight and Hearing, and the 30th - Attendance/Membership/Programs.

JOINT ZONE MEETING: Region III, Zone I & II hold their meeting at the Tularosa Lions Hut on Feb. 16th. Lions Gene Natherly & Roy Hatcliff conducted the meeting, and most clubs in the zones were represented. Several major points were stressed, among them, the up-coming Zone Social hosted by the Boles Acres Lions on Saturday, April 23rd. There will be no Breakfast meeting that day, as this is a District Contest event. We need your support and ATTENDANCE at this social to hold on to second place now - the Biggest Little Club at Boles Acres is putting it on us, they are now in first place. Congratulations Lion Joel and all the rest of you BA's wild bunch! Eye Bank tickets, visitations, membership, State and National Conventions were also discussed. I even got in a few licks for "DIME AND A PRAYER" - - Six other clubs in the region are joining us in it.

ANOTHER APRIL REMINDER - SUNDAY, APRIL 17th, 1977 will mark the beginning of the second, repeat second, annual Breakfast Lions American Quarter Horse Assoc. (AQHA) show at the fairgrounds. We will need a concession booth operation in addition to the arena personnel. Who's going to volunteer?

MAY will bring forth our "Lion Joe McKinley" day. That's the day our club takes all of the New Mexico School for the Visually Handicapped on a picnic to White Sands. Lion Joe will be setting this up soon, so if he asks, help him.
