President's Message:

My hat is off. It is off to Lion Dave Johnson for the excellent programs. Steve Dinges whom we sponsored at Boys State is a youth to be proud of. Lion Ray Pierce had the program while tubing in Texas was my July 2 relaxation. Capt. Muleson gave us an appeal for the Bender Music Scholarship Fund and the Tiger Cheerleaders were appealing too. Five of the eight Alamogordo members of the New Mexico Lions Band told of their experiences at the International Convention in New Orleans. This weeks program is by Third Vice President Walt (or is that Walt) Roberts. Leadership is the topic. Next weeks program is by a state policeman on any subject he chooses. Let Lion Dave know how you feel about the programs. He requests your suggestions for future programs.

My hat is off to all those Breakfast Lions who came to the Frontier Village Roof Raising July 16. For lack of materials we didn't get to see Lion Don on a hot tin roof. Lions Joe McKinley, Jim Sanders, and Bill Leehan (did I miss any?) have been helping evenings on this project.

My hat is off to many Lions, Breakfast and otherwise, who spent countless hours working with Babe Ruth Baseball. The commissioners, coaches, umpires, and concession van operator helped 180+ boys grow toward manhood.

My hat is off to Lions Bud Smith, Don Gressman, and Walt Roberts for the donation, fixing up, and operation of the food van. Lion Walt ran it at the Babe Ruth games and several Lions helped us make a profit of \$ 132 at Crazy Dase.

Lions Vic Anderson and Bill Leehan have been collecting ideas for the new fair booth. Horse-race wheel (Lion Rudy), many sided cube numbers game (Lion Vic), Hole in one golf (Lion Bill), Sand dig (Lion Boss) have been suggested. Has the best idea come out yet? What's yours? A decision will have to be made at the August 10 board meeting.

Sunday, August 7 in Las Cruces District Governor Herrera will pass out the rules for the district 40-M contest. This is a must meeting for club presidents, secretaries and some chairmen. All other Lions are welcome. Also coming up is the Otero County Fair and corn palace. Lion Vic Anderson is the chairman. Think shuck! The presidents steak fry is tentatively scheduled for September 17. We have a horse show about the end of September too.

There were more Lions at the committee meetings Wednesday night than committee members. It was especially good to see Lion Jimmy Howell there.

That's the July bulletin.
