Breakfast Lions:

You did yourselves proud at the fair. All that hard work and long hours will net our club about \$1000.00 plus one-third of the price of our new booth. About two-thirds of our members participated in roofing the new booths, helping with the cerna or the casino. Thank you all for the hard work and a special to Lion Don Grossman and Lion Henry Danley for construction on the new booth, and Lion Tim Cashea for hawking the "Funny Money", to Lion Vic Anderson for chairing the Cerna Palace and to Lion Ted Bawa who spent the most time there.

Help will be needed at the Herse Show, Sunday, October 2. Lions Henry Danley, Joe McKinley or Walt Reber's should be able to answer "what can I do to help".

Your Lionsess will be called to help with potatoe salad<sup>or</sup>dessert for the Steak Breill next Saturday at the Country Club. I look forward to seeing you there.

Membership, Attendance and Program: October is upon us and its the month of our Founders growth program, in which each year the membership of Lions International is increased. Two years ago this club brought in 12 new members and consequently qualified as the 1st club in the district and recieved the Melvin Jones Golden Medalion Award. This club again will shoot from the hip to repeat this event. It will require 100% support of every member today to bring new members during the month of October.

Lions International, through our President, will award a Membership Development Pin to every Lion that brings in one or more new members. So, keep your eyes open for any civic minded man, that you know, and bring him to breakfast. Let's get them addicted to Lionism.

If you need New Membership Forms, ask your secretary, president or Me---

Yours in Lionism

Lion Rudy Duran, Chairman  
Membership and Attendance

P.S. The Lion Boss will give an extra peice of "Scrap Metal" to each Lion who sponsors a new member before Helleween.
