New Year's Day 2009

Another successful "New Year's Day Meal Delivery" was accomplished by the Alamogordo Breakfast Lions members with the help of volunteers from the community. In less than a few hours, many elderly shut-ins were provided with a warm, delicious New Year's Day meal, who otherwise might not have had a holiday meal. A huge Lion's ROAR to all those who volunteered to help make this day a success!
